

PATRIOTIC NETWORK OF FRANKLIN COUNTY

About our Affiliate Links

The Institution on the Constitution (IOTC) founded in 2004 by Constitutional Attorney Michael Anthony Peroutka, is an 501c Non-Profit organization. All donations are tax exempt. We have been accepted as an affiliate and receive a percentage of all donations and purchases that you make through the link on our page. The exception is apparel due to the fact that there is a third party involved.

The percentages, between 25% to 40%, come back to the Patriotic Network of Franklin County on a monthly basic and will be spent to uphold, protect and defend your natural rights.

The link on our page, patrioticncf.net, is under the Store option as shown below. It must be used for us to receive our commission.

Thanks for you purchase, donations and support.
