

How can "I" educate my child?

We were born in to a world where public education has always been and seems like it will always be. But is this true? No, this is not true. The public school system has only been in place about 200 years. In your opinion, is it succeeding or failing our children?

Why is the sky blue?

When a child is small, he plays. When he plays, he learns because he wonders. When he watches his elders, he wonders. When he watches ants at work, he wonders. When he sees the sky, he wonders. Then he asks questions, because he wants to know.

Why is reading test questions drudgery to a child? Because these are not things he currently wants to know, so he sees nothing in them that pique his interest.

Why do we try to stuff "stuff" into our little humans because someone, somewhere, everywhere has made us think these things are necessary for our children to learn and succeed in life. Should a child be labeled because they don't fit this narrative, or worse yet, medicated?

Our children were fearfully and wonderfully made by a God who only wants to give them life, and that, abundant. Each of us is as individual as a grain of sand, a leaf, or any other creation of God. He made us to be a unique reflection of Himself – one part of the body: no two parts are exactly the same. *The tree of life*

The devil wants God's children to be ignorant of His gifts, because then we won't ask Him for them. Satan is so good at perpetuating group think. EX: Covid, masks, CRT, etc..... Generally making sin acceptable incrementally. *The tree of the knowledge of good and evil*

If we teach our children how to answer questions, they will never fail another test, ever..... Because they will find the answer and it will be meaningful to them, not simply rote memorization. They will likely never forget that answer. Those answers are much more difficult to forget and even if the specifics are forgotten, we can easily find the answer again – without a teacher, IEP, counselor, principal, Board of Education, or National Education Association. Imagine the heights our children would reach without the burden of being a number and imagine the tax savings for their future!

Please know that you have every tool necessary to give your child the education he deserves.

Isaiah 41:10 Fear not, for I am with you; Be not dismayed, for I am your God. I will strengthen you, Yes, I will help you, I will uphold you with My righteous right hand.'

Hosea 4:6 My people are destroyed for lack of knowledge. Because you have rejected knowledge, I also will reject you from being priest for Me; Because you have forgotten the law of your God, I also will forget your children.
